BioBuilder Volunteers

July Learning Lab News

With a round of Education First tours in June, plus an MIT-FIT workshop and Nord Anglia workshop, BioBuilder had **95 visitors** at the Learning Lab! July will bring more EF tours, the Whitehead Institute's Expedition: Bio program, and an InGenius Prep workshop. Check the schedule below!

If you would like to volunteer at any of these events, please email me at **Kelley@BioBuilder.org** and let me know!

Thank you for helping make BioBuilder's workshops such a great experience!

2018-2019 Learning Lab Data

As BioBuilder closes out the 2018-2019 fiscal year, which ended June 30, we are happy to report that volunteers spent approximately **130 hours** in the Learning Lab!
In addition, BioBuilder hosted

- 56 workshops
- 105 days in the Lab
- 509 student visitors under 18 years of age
- 307 adult visitors

Thank you for helping to create an environment of learning, exploration, and fun for BioBuilder visitors! We are looking forward to a great 2019-2020 year!

The Bacterial Photography system is now working in the lab, which adds another option of the programming that BioBuilder is able to offer this fall.
